

The FOX song

Sookie: When he first met the man
He was so curious and then
He talked to him everyday
For he sits there on the street right in his schoolway

Gerald: He was my first friend in town
And he helped me when I was down

+ all: His little buddy Russ I met
He is a fox, now he's my pet
I wonder if he bites or barks
Is he the king of all the parks

Chorus **He is a fox**
Fox!
Lives in a box
Box!
He is a Fox
Fox!
Yeah, he Rocks
Rocks!

Mum: Now the house is full of fox hair
And it's smelly everywhere
But now the days are bright and sunny
I'm happy for my honey-bunny

Fox: (Scat)

+ all: His little buddy Russ I met
He is a fox, now he's my pet
I wonder if he bites or barks
Is he the king of all the parks

Chorus **He is a fox**
Fox!
Lives in a box
Box!
He is a Fox
Fox!
Yeah, he Rocks
Rocks!
